Description

This cute little gnome has been created by needle felting soft wool fleece over a core wool base.

It has a grey beard and a brown hat and it stands at 15cm high and 9cm wide.

These gnomes are for decoration purposes only and are not toys to be played with. The wool fleece may present a choking hazard. Please keep out of the reach of children or any who may try to put them in their mouths.

For care of your gnome, try to handle as little as possible as excess handling could lead to the fluffy, unfelted parts of the gnome (beards and hair) felting and matting, which may detract from the look of your gnome. Do not try to wash your gnomes. When not on display they would be best kept individually boxed in a dry place.

Please note that any background props or stands in the photographs are for display purposes only and are not included in price of the product, unless otherwise stated.
